Wedding Ceremony Information

Rev. Steen officiates classic and personalized ceremonies. Which type of ceremony do you desire?

Classic ☐

A *Classic Ceremony* has a long, esteemed history and is familiar to generations. It remains essentially unchanged throughout the ages and is unmodified to fit the individuality of the couple. This is not a negative as classic ceremonies have proven through decades to be reliable, effective and powerful. A Classic Ceremony is required for the Same Day and Spontaneous Packages (with limited options) but also available for the Personal and Premier Packages (with unlimited options).

A *Personal Ceremony* is only available with the Personal and Premier Packages. There are numerous options and additional questions to be answered for the *Personal Ceremony*.
