

If you're excited by the prospect of a "no headache" billing service that still gives you full insight and control of your practice financials, we've got the solution you're looking for.

**Get your claims paid, *fast*.** Because over 98% of our claims are accepted on first submission, you'll get more reimbursement more quickly. Our billing service is laser-focused on collecting your revenue so you and your staff can stay focused on providing excellent patient care.

**Real-time access.** Our iClaim system is cloud-based, so you have 24/7 access to your data from any computer with an internet connection. That means you can view the real-time status of every aspect of your revenue cycle anytime, anywhere.

**Better reporting for better decisions.** With iClaim, you can access hundreds of reports in real-time with the touch of a button. That gives you ultimate control, and the data you need to make the right decisions for your practice.

So free yourself and your staff to focus on patient care, and let iClaim and our expert team handle the rest.
