

“I’ve had the pleasure of working with Bryan & his Team at Total Storage Solutions for many years and find them to be Trusted, Reliable Professionals with exceptional industry experience. It has been a great experience. Bryan and his team make it a point to understand your business and offer first rate solutions.”

Mike Relyea
Distribution Manager
Amesbury Truth
Statesville, NC

“I am writing this letter of recommendation on behalf of Total Storage Solutions, and the services they provide. I’ve been working with their Project Manager for several years and his level of professionalism and attention to detail far exceeds other suppliers we work with. I am confident in Total Storage Solution’s capabilities and the quality of work they provide. Please feel free to contact me with any questions you may have.”

Thanks as always,

Randy Belliboni

Chief Operating Officer
Pengate Handling Systems
New York/ Pennsylvania

“The Crew at Total Storage Solutions has proven to be a true Partner in all of the Projects we have taken on with them. We especially appreciate the quick follow through and clear communication. Their proactive methods have proven to generate revenue AND avoid unnecessary overhead. I highly recommend them.”
